Dear Mr. DiSantis:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to include the purpose for the payment made to Selig Enterprises, Inc. Note that the activity or event identifier is not considered an adequate description of purpose. Please amend your report to include this missing information.

-Schedule H4 discloses a disbursement(s) which is categorized as a fundraising expense(s); however, a Schedule H2 has not been filed to disclose the allocation ratio. All committees are required to allocate the direct costs of each fundraising event in which the committee collects both federal and non-federal funds. The costs are allocated according to the funds received ratio and reported on Schedule H2. 11 CFR §§106.6(d) and 106.7(d)(4). Please file a Schedule H2 to disclose the ratio for the fundraising event(s). Further, please clarify whether this activity is for fundraising of both federal and Levin Funds.

-Please provide the total(s) for Line 11, Column A of the Schedule L Aggregation Page for the Levin funds from State Account. Note that changes in your figures may affect your Column B totals on this report and/or on subsequent reports.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1133.

Sincerely,
